

Adverb Clause

M. Aucky Aisy S. XII-1 18

- Adverb clause adalah kata keterangan yang memberi informasi mengenai verb (kata kerja), adjective (kata sifat), atau adverb yang berada pada independent clause dengan kapasitasnya menjawab pertanyaan how, when, where, dan why.
- Adverbial clause dimulai dengan suatu kata yang disebut subordinate conjunction yang menghubungkannya dengan independent clause.
- Gabungan adverbial clause dan independent clause disebut complex sentence.
- Kinds of adverbial clause and examples:
 - Time
 - After, as, as soon as, before, etc.
 - Place
 - Where, wherever
 - Cause/reason/result
 - As, because, since, so
 - Purpose
 - In order that, in the hope that, so, so that
 - Condition
 - As long as, if, only if, otherwise, or else, etc.
 - Contrast/concession
 - Although, whereas, while, even if
 - Manner
 - As if, as though, how, the way
- Rumus adverbial clause
 - Adverbial clause
 - Subordinate Conjunction + S + V +/- ...
 - Complex sentence
 - Independent Clause (S + V +/- ...) + Adverbial Clause

- Fungsi
 - Memberikan informasi tentang verb
 - Contoh : You were sleeping when she arrived
 - Verb = were sleeping, subordinate conjunction = when
 - Memberikan informasi tentang adjective
 - Her face looks fresh because she always eats well, sleeps enough, and exercises.
 - Adj = fresh, subordinate conjunction = because
 - Memberikan informasi tentang adverb
 - He drove fast in order that he could arrive on time.
 - Adv = fast, subordinate conjunction = in order that
